Naval Headquarters Clear Mystery After Vancouver Paper Charges Seamen 'Mutiny' Aboard Destroyer

OTTAWA—Naval headquarters officially cleared the mystery surrounding an incident, labelled in Vancouver as a minor mutiny, which occurred eight days previously aboard the Tribal-class destroyer Athabaskan while it was in the Mexican port of Acapulco.

A statement said a group of seamen, instead of carrying out an order to work, requested to see the Captain of the ship, Cmdr. M. A. Medland, the 38-year-old ship commander, saw the group "not as a captain but as the most senior officer available to offer advice."

The statement said so "insignificant was the incident that no man involved will be charged with a more serious offence than slackness." After the talk, the men carried on with their duties which were to refuel the ship.

The statement was prompted by the publication by the Vancouver Sun of an anonymous letter, purportedly written by a member of the 30 crew members involved, claiming a two-hour mutiny occurred.

The incident was described by the senior officer of the task force en route to the Caribbean for manoeuvres as a "flash affair." He is Capt. James Hibbard, commander of HMCS Ontario.

"TIP" PROVES TO BE HOAX

WINNIPEG—Royal Canadian Mounted Police said today the large scale search here during the week-end for the fugitive desperado Mickey McDonald had been touched off by a hoax tip from 31-year-old John Perry Zoma.

Zoma, now in custody, admitted he had made up his story that he had acted as "a grocery man" for McDonald and several companions on his farm near Austin, Man., about 80 miles west of here.

FISHERMAN MAROONED ON ICE

MENOMINEE, Mich. — Sheriff Edward Reindl said at noon today 50 to 60 fishermen are marooned on a vast floe of Green Bay ice which broke away from the shore and began drifting into Lake Michigan.

Aircraft were dispatched from several nearby fields, including the Coast Guard station across the lake at Traverse Bay. Some fliers said they would try to land on the floe in an effort to evacuate the men.

BANDIT ROBS TRUCKING FIRM

VANCOUVER—A lone holdup man, holding a handkerchief over his face, snatched \$1,080 early today from the offices of Vancouver Trucking Co. A woman employee of Purcell's Trucking Company was counting cash in the office when the bandit "just walked in and grabbed the money."

He was holding a hankie to his face. "I don't think he said anything," she said.

This was the second time the firm has been held up in three months. On December 18, two armed bandits slugged owner O. L. Purcell and escaped with \$515.

SWEDEN TO BE PREPARED

VANCOUVER—Sweden is determined to provide herself with defensive armament, Lt.-Gen. Bengt Nordenskiöld, chief of staff of the Swedish air force, said Saturday, as he arrived here after a tour of RCAF installations in Northern Canada. The general said his trip had resulted in "very satisfactory" exchange of information.

WILL REPRESENT B.C.

VANCOUVER—The Vagabond Players of New Westminster and their distinguished presentation of "The Glass Menagerie" will perform for British Columbia next month in the Dominion Drama Festival at Toronto.

Robert Speight, London, last night adjudged the play the best of five regional competitors.

MAY EXTEND ARCTIC QUARANTINE

WINNIPEG—Extension of a quarantine already covering 40,000 square miles of the Canadian Arctic is under consideration today following the confirmation of reports that the death-dealing plague sweeping the northwest coast of Hudson Bay is poliomyelitis.

Confirmation of the diagnosis came today from Dr. W. J. Wood, Winnipeg, regional superintendent of Indian health services, following his return here aboard the RCAF Dakota which also brought 13 stricken Eskimos to the local isolation hospital from the storm-swept outpost at Chesterfield Inlet.

The plague, since its outbreak three weeks ago, has taken 13 lives.

MAY EXTEND POWERS

WASHINGTON—A carefully guarded bill to shield U.S. intelligence agents and give them new powers abroad went before the House of Representatives today in almost complete secrecy. Chairman Carl Vinson, of the house armed services committee, said no details will be explained to Congress.

The bill would give the central intelligence agency permanent statutory authority for things it now does under orders and emergency powers of the president.

PROBE COAL INDUSTRY

HALIFAX—The current ailment in the Nova Scotia coal industry—where and how Nova Scotia coal is to be sold—will be diagnosed this week at Ottawa. During the last two weeks several pits have been worked only part time and several miners have been thrown out of work. Reason: no orders.

Reason behind that has been given as the mild Maritime winter.

PREPARE AGAINST COMMUNISM

WASHINGTON—The western governments, still puzzling over the Moscow foreign ministry shakeup, are acting speedily to bolster their "frontier" against communism.

Main conviction in Washington, London and Paris is summed up by diplomats in this way:

Whether Moscow's diplomacy towards the west gets tougher, softer or continues unchanged, the primary responsibility of the western powers now is to be prepared to meet any contingency. Many responsible authorities here believe the removal of V. M. Molotov from the foreign ministry and his replacement by Andrei Vishinsky, a man of lesser standing in Russia, means that the Russians are about to intensify internal programs and let up on Communist expansion temporarily. They feel this may mean a new period of extreme Russian isolationism.

REBELLIOUS ONTARIO JEWELER DEAD

PEMBROKE—George J. Simpson, jeweler who made newspaper headlines some weeks ago when he refused to collect the federal government purchase tax on goods in his store, was found dead at his home today. Also found in the house was the body of his wife, Rachel Simpson.

Fire Claims Seven Lives

Seven persons, including a mother and her three children, lost their lives Thursday when a pre-dawn blaze swept through this two-story tenement in Halifax, N.S. Here firemen fight the blaze which has burned to death Mrs. Mary Keating; her daughters, Elsie, 16, Margaret, 5; a son, Kenneth, nine, and three boarders, John Johnson, Peter Pembroke and Albert Clattenburg. John Keating, 18, was the only one of family to escape.

Province Will Maintain 1.4 Miles of Streets Under Highway Policy

THE department of public works will take over 1.4 miles of streets in Kelowna and add them to the provincial highway system, according to an announcement made by Hon. E. C. Carson, public works minister. The Goldenberg Report recommended that the province should be responsible for the maintenance of streets where provincial highways run through a city.

The recommended route of Highway 5 through Kelowna is that proposed followed: from the ferry slip south on Mill to Bernard, east on Bernard to the Vernon Road, south on the Vernon Road to a spot approximately 95 feet north of Southland Avenue, which is the present corner where the highway turns eastwards.

The change means that the provincial government will be responsible for the construction and reconstruction of these streets, including the installation of curbs and gutters; the construction and maintenance of storm sewers within the highway right of way; the maintenance of the highway itself; centre line marking; snow plowing and sanding and the erection and maintenance of route markers, directional and warning signs.

On the other hand the city will be responsible for the construction and maintenance of sidewalks; street lighting; the construction and maintenance of all utilities if municipally owned; the construction and maintenance of sanitary sewers; street cleaning, including snow removal.

In Vernon 2.3 miles are designated as arterial highways and .78 mile as secondary highways.

The main route will not go along Barnard Avenue in Vernon; Barnard will be a secondary road. The highway itself will proceed along 32nd Street from the southerly limits of the city north to 43rd (Barnard is 30th) Avenue turning east on 43rd Avenue to 27th St. and north on 27th Street to 48th Avenue. Barnard Avenue or 30th Avenue from 32nd Street to 23rd Street will be a secondary highway. This routing is in accordance with a recommendation made by Vernon.

No route through Penticton was mentioned by Mr. Carson. It is understood, however, that a complete rerouting of the highway at Penticton is contemplated. It has been suggested that the highway may be routed entirely on the west side of Okanagan River from Skaha Lake to Okanagan Lake, thus by-passing Penticton streets.

EARLY-MORNING FIRE STARTS INVESTIGATION

Fire of undetermined origin broke out this morning in two separate places in the Rendezvous Coffee Shop, Harvey, Ave., a few doors west of Richter St.

Three trucks at the Kelowna volunteer fire department answered the general alarm turned in at 7:58. Damage was confined mostly to smoke and "cleaning up." Fire Chief Fred Gore reported.

Mr. Gore said the cause of the fire was under investigation. The Rendezvous was closed at the time and firemen had to be let inside by the owner, W. Siemens, who lives across the street from the coffee shop.

Firemen had little trouble putting out blazes in the kitchen and at the south end of the counter, close to the kitchen.

OYAMA MAN GIVEN JAIL SENTENCE

Bernard J. Hoyer, Oyama, will spend the next year and a half in jail following his second conviction on theft charges in two weeks. Sentencing of 18 months with hard labor was passed in district police court this morning by Acting Stipendiary Magistrate G. A. McKay.

Hoyer, about 40 years old, was convicted of stealing an outdoor motor from John Brown, Westbank. The theft occurred in 1947, but remained unsolved until Hoyer was convicted about two weeks ago on a charge of stealing auto tires. The court was told this morning Hoyer has a lengthy criminal record.

SPEED LIMIT IS IMPOSED WITHIN CITY

In a drastic effort to halt city streets crumbling as the frost leaves the ground, the City of Kelowna has imposed a 25 mile an hour speed limit and has curtailed load limits of trucks to 50 percent of the authorized carrying capacity within the municipal boundaries.

The move followed restrictions imposed on highway traffic by the department of public works last week. The local traffic committee held a meeting last Friday night at which time these regulations were suggested.

It was pointed out the city public works department is working under a handicap in maintaining city streets. Light fills have been put into pot-holes, and it was pointed out heavy trucks or cars traveling at a high rate of speed, undermine temporary repairs.

COMMITTEE HEADS NAMED BY JAYCEES

L. G. Wilson Presides Over First Meeting Since Being Elected President

L. G. Wilson, president of the Kelowna Junior Chamber of Commerce, last Thursday night announced the appointments of the various committee heads. Mr. Wilson presided over the first monthly dinner meeting in the Royal Anne Hotel since being elected president. Guest speaker was Ken Jordan, executive commissioner for the B. C. Boy Scout Association, who gave an interesting address on the history of Scouting.

Mr. Jordan said for a community the size of Kelowna, there should be more active troops. He was in the city to help organize the Scout movement in conjunction with the leadership training course which is designed to help Scout leaders.

Heads of various committees are: Past president, Bob Knox, Jaycees representative on the Kelowna Board of Trade; Verne Ahrens, representative on the Kelowna Aquatic Committee; Des Oswald, Kelowna Athletic Round Table; past president Harry Witt, city traffic council.

Paint-Up, Clean-Up

Russ Crowley was appointed secretary; Cedric Stringer, corresponding secretary, and Jim Thompson, treasurer.

Vice-presidents Don Clarke and Ernie Gray also spoke briefly on the duties of directors.

The annual Jaycee "Paint-Up-Clean-Up" campaign was discussed, and it was announced the St. Patrick's Day Dance will be held again this year. The dance will take the form of a "melodic mystical trip to the Emerald Isle."

Mr. Henderson, chairman of the membership committee, revealed that plans are underway to increase the Jaycee membership.

An interior executive meeting will be held in the Orchard City next Sunday when delegates from all points of the Okanagan will meet here.

Verne Ahrens won the raffle, while Stewart Walker led the sing song with Hugh Shirreff at the piano.

SCOUTS WILL GIVE CONCERT

Under the auspices of the Kelowna Rotary Club, the second Kelowna Boy Scout Troop will sponsor a concert in the high school auditorium next Friday.

Proceeds from the concert will assist in sending boys and their families to summer camp. It is estimated that it costs about \$12 to pay for a Scout's board at camp, but this does not include overhead expenses such as tents, transportation, etc.

A diversified program will be presented, and one of the highlights will be the Vernon Ukrainian dancers who have volunteered their services.

Re-open New Vernon Road Temporarily

Highway traffic between Kelowna and Vernon was resumed late yesterday after all but bogging down Saturday and early Sunday.

The six-mile stretch of number five highway, immediately south of Vernon, was re-opened temporarily yesterday after the dirt road detour in use since last fall became next to impassable. Two bulldozers and a truck had to be used over the weekend to get motorists through the cut-off.

Re-opening of the main highway, under various stages of repair and rebuilding, was confirmed by C. D. Grigg, assistant district engineer with the provincial public works department at Vernon.

Mr. Grigg said parts of the highway re-opened are not in the best of condition, but they are much better than the detour. This stretch of highway will remain open until the detour can be put into shape for traffic again, he told The Courier.

Grigg said the detour was a series of cars and trucks unable to get through on Saturday and Sunday. "I was there for hours," said one unidentified Vernon motorist at the hockey game here Saturday night.

"Not one vehicle was able to get through on its own power."

Others described the detour as a sea of mud and potholes. Mud in many places was over the hubcaps of the cars, another Vernon hockey fan said. Many Vernon fans were unable to get to Kelowna for the game Saturday and with the aid of bulldozers turned around and went back home.

Kelowna Bears, local senior B basketball squad, slated to play a league game in Vernon Saturday night, tackled the detour but had to back out. One of the players said it took a jeep coming in this way "an hour to get through."

Another basketball squad, the Kelowna juniors, also were unable to get to Kamloops for a playoff tilt.

New Bridge Will be Built At Okanagan Mission

RECONSTRUCTION of the Okanagan highway will be practically completed by 1951. This is the inference drawn from the information given the Legislature by Hon. E. C. Carson, minister of public works, when he outlined his \$34,000,000 highway construction program for the next three years.

A study of the details of the program reveal the following work within the South Okanagan electoral district this year:

Maintenance work, \$125,000.

The taking over of 1.4 miles of streets in the City of Kelowna as part of the provincial highway system.

The construction in 1950 of the Woods Lake stretch of the highway north as far as Oyama, \$200,000.

The construction in 1951 of the Peachland-Summerland stretch of the highway, \$400,000.

The construction of a \$500,000 bridge this year crossing Mission Creek south of the city. A temporary bridge has already been erected on the site. This will remove a narrow bridge which has always been a "death trap."

In addition to the above in South Okanagan other work on the Okanagan highway will include:

The reconstruction this year of the Penticton-Trout Creek stretch, \$200,000.

This announcement apparently means that the department has definitely decided to rebuild the present road rather than relocate it on the high level. The proposed definite control of Okanagan Lake levels was an important factor in this decision. A high level road would have involved very expensive bridge construction over Trout Creek Canyon.

No announcement has been made regarding the routing of the highway through Summerland. It is suggested that the Sand Hill route might be used rather than the present Peach Orchard Hill route. The former would remove traffic from the congested Summerland packing house area.

Work at Enderby, \$400,000.

The North Okanagan maintenance vote for this year is \$125,000 while that of Similkameen is \$110,000.

Proposed Work

When the proposed work is finished in 1951, as far as can be ascertained, the only sections of Okanagan Highway from Keremeos to above Enderby that will not have been reconstructed are:

Kelowna north to the CNR overhead bridge.

Oyama north to the south end of the six miles now being reconstructed south of Vernon.

In addition there are many other construction projects which will affect the Okanagan directly or indirectly.

On the Kamloops-Vernon cut-off road this year, construction costing \$350,000 will be undertaken while an other appropriation of \$450,000 for this road in 1950 is scheduled.

Paving on the Hope-Princeton this year will cover 74 miles and the highway will be opened on Labor Day this year.

B.C. highways last year which were paved totaled 283 miles. Paving scheduled for this year is set at 375 miles, costing \$4,000,000. Thus in two years 685 miles of highway will have been paved in the province.

Highway signs will be revamped and erected. \$4,000,000 has been allocated for the making of the signs. Eighty miles of highway were constructed or reconstructed last year. Since the inception of the planned highway program, 599 miles of construction or reconstruction have been undertaken of which 451 miles or 75 percent have been completed.

Other Projects

The final cost of the Hope-Princeton is set at \$12,000,000.

Among the major highway projects to be undertaken this year are:

The modernization of the southern trans-provincial easterly from Osoyoos.

Considerable work on the Trans-Canada.

The work on the Trans-Canada includes: Boston Bar to Chapman's.

CITY SCHOOL BURGLARIZED

A combination radio-phonograph and a fountain pen were carried away sometime Saturday night or early Sunday morning by a thief or thieves who broke a window to gain entry to the Raymer Avenue Primary School.

Police this morning were still pressing their investigations.

Jack Gordon Again Heads Legion by Big Majority; Other Officers Elected

JACK Gordon, 32-year-old ex-R.C.A.F. pilot, was re-elected president of the Kelowna branch, Canadian Legion, for the second consecutive year, at the annual election of officers last Saturday. Gordon, who served four and a half years overseas and in Canada with the air force, topped the poll by a large majority, defeating Archie Cather, 125-44 in the two-way fight. Felix Sutton and E. Ross Oatman were chosen first and second vice-presidents, respectively, when they headed the poll in the election of an 11-man executive. Only 186 votes were cast out of a total membership of 840.

Total of 16 members ran for the executive. Those elected in the office in which they finished, were: Felix Sutton, E. Ross Oatman, Don Poole, Fred Hilborn, John Arthur, D. F. McMillan, Jim Whillies, Rhys Lewis, Bill Taylor, J. K. Duggan, Peter Bell.

"It was definitely a vote of confidence in those seeking re-election," Jack Gordon declared. "Last year's executive undertook a major task in launching plans for the new Canadian Legion building, and when it is finished, the structure will be an asset to the city," he added.

"To help pay for this building, we were forced to double membership fees, and this action also seems to have met with the approval of the majority of members."

Mr. Gordon said that the cold weather forced a halt in construction, but that work will be finished by the end of this summer.

GLENMORE MAN GETS PROMOTION

He has been appointed manager, belting and hose sales, industrial products division. Mr. Griffin has had wide experience in the industrial engineering

field, including two and a half years with the company, specializing in methods, engineering, plant layouts and special equipment design and installation.

EAST KELOWNA GIRL GUIDES HOLD CONCERT

EAST KELOWNA — A concert arranged by the Girl Guide committee was held in the community hall on Friday, February 25, with G. D. Fitzgerald as master of ceremonies.

The program opened with Guides and Brownies assembled on the stage for O Canada, and Mr. Fitzgerald spoke briefly on the Guide movement.

The Brownie pack gathered around the "Toadstool" with their rabbits and other pets, and gave their welcome and fairy ring. This was followed by "Tu-Whit-Tu-Whoo" and "The Treasure Chest."

An explanation of the "World flag" was given by Linda Harsent. A play by the Guides entitled, "The Store Window", was artistically arranged. The models were Barbara Bailey, Barbara Smith, Shusuya Ita, Doreen Clement, with Carol Evans and Joy Silvester as the window dressers.

A pianoforte solo was rendered by Mary Fitzgerald, and this was followed by an amusing play by the Guides entitled, "Is It Worth It", or "Baby Sitting", with Linda Harsent and Sally Turtan as the baby sitters and Mary Fitzgerald

their charge.

Other program contributions were: pianoforte solo, by Carol Evans; a recitation, "The Little Church", by Barbara Smith; pianoforte solo, by Doreen Clement, followed by songs around the campfire by the Guides in which the audience joined.

During the intermission Mr. Fitzgerald spoke a few words on the Red Cross appeal.

B. Chichester showed some interesting films on cougar hunting. Pictures of mountain sheep, and scenes of snow-capped mountains, were especially interesting.

One which delighted the children was "The Three Little Bears". Ski pictures and the game between Vernon and Kelowna Packers brought an enjoyable entertainment to a close.

Following the program, members of the committee served refreshments.

The East Kelowna company of Girl Guides, accompanied by their Captain, Mrs. H. Hewlett, attended church parade at St. Michael and All Angels' church recently.

RUTLAND HIGH SCHOOL NOTES

by TONY BRUMMET

PAPER NEEDS SUPPORT
The Rutland School Band is progressing judiciously from the noise emanating from the brick school each noon hour and afternoon. The members of the band are enthusiastic and persistent, and in the short period of time since they started, have developed nicely.

The school paper is being printed at the school again and it is hoped this venture may prove successful in making ends meet as far as the Journalism Class is concerned. So far, the paper has been operated at a loss, due to the lack of interest on the part of many of the students.

The Drama Club is again in full swing, having started on their three act play, "The Seven Sisters," which they hope to produce sometime in April.

SPORTS
High school hockey is practically dormant, awaiting the B.C. playoffs. However, the boys are watching developments with considerable anticipation.

The RHS girls' team and the junior boys experienced quite a setback from the visiting Enderby cage teams on Saturday afternoon, Feb. 26. The games were fairly rough (as reported by several of the players) and Enderby had the scoring mostly to themselves (as indicated by the score-sheet).

The Junior Girls succeeded in getting only three points, while the Enderby squad got 21. The Junior Boys held down the Enderby team to a low score but didn't go high enough themselves. As a result, Enderby won 12-4. The Senior Girls put up a scrappy game but couldn't hold down the Enderby females (that may be taken literally). Anyway, Rutland lost 28-4.

Kimberley Will Clash With Nanaimo in B.C. Intermediate Playoffs

PLAY for the Coy Cup, emblematic of B.C. intermediate A (senior B) hockey championship, has narrowed down to two teams—Nanaimo Clippers and Kimberley Legionnaires. The finals will be run off this week.

Kimberley earned the right for a crack at the finals by a clean-cut but close 3-2 victory over Vernon Canadians in the deciding game of the best of three series at Kelowna's Memorial Arena Saturday night before the largest crowd of the season—3,311 fans, according to official figures. That same night the Clippers bopped Whitehorse 11-5 at Nanaimo to take their best of three series in two straight.

Lead for First Time

Kelowna's overflowing record crowd saw the Kootenay champions add another feather to their crown by coming from behind to take a 3-1 lead in the final chapter and hold on stubbornly against the determined Clippers for the interior battle. International league Lloyd Sanderson's second goal of the game proved to be the ticket to Nanaimo for the Legionnaires.

Bettors Wary

Going into the third game after a Kimberley 5-3 victory on Wednesday and a Vernon 4-3 triumph on Friday — both games played in Vernon — the betting fraternity were split about even on the outcome of the clincher.

Though shots were seven-all in the first period, the Canucks were the more aggressive, finally opening the scoring with five minutes left in the frame.

But three times during the period Al Laface, Vernon's brilliant net-minder, had to call on all his ingenuity and finesse to keep the 1-0 lead for the first 20 minutes of play.

Canucks lost the driving knock after that. Legionnaires, playing all over the ice both ways, broke up the majority of the Canadians' rushes before they gained too much momentum. Meanwhile, Laface, the standout of the night, continued his gall-edged performance.

Lloyd Sanderson, one of the high scoring wingers in the WHL a few years ago, pierced Laface's armor early in the second to match Vernon's counter. For the rest of the torrid period, Laface was unbeatable.

Canucks got away only seven shots on Cliff Kilburn in the Kimberley citadel during the second stanza to Legionnaires 12, but former Kimberley Dynamiters goalie was equal to the threat.

ZACCARELLI GETS CHANCE IN "BIG TIME"

Dick Zaccarelli, pitcher-shortstop with the Kelowna Red Sox for the past two years, soon will get another chance to make good.

This Saturday, March 12, Dick will be among the many attending the Kelowna, B.C. Port's spring training camp at Stockton. He will be seeking a berth on the infield, preferably shortstop or second base.

Zaccarelli was in Stockton at this time last year, too. When he returned to Kelowna in May he said he had been asked to come back again this spring. "This is my big chance," he wrote to his friend, Dick Murray. "It's up to me now."

Last year's Red Sox coach-manager said Zaccarelli is putting on weight and feeling in the best of condition. He has been playing winter ball in Oakland since he left here early in January. "Give my regards to all my Kelowna friends," Zaccarelli wrote.

The Ports are understood to be a farm team of the St. Louis Browns, playing in Class C ball. Powell River is Zaccarelli's home town, but he played several seasons in Vancouver, chiefly as a right-handed pitcher.

Recreation Park Considered Private Property; May Construct Fence

Some 30 baseball players and interested fans were on hand for the annual meeting of the Kelowna Baseball Club but of those present only five would consent to act on the executive for the ensuing important year.

Deciding previously on a ruling body of seven, the members felt they had no alternative but to call another meeting for election of a slate of officers. Meanwhile the retiring executive, led by president Ed Scantland, was charged with drumming up interest and support from players, fans and organizations for the next meeting.

Date will be determined after the full report of delegates to Sunday's South Okanagan (International) Baseball League annual meeting at Oroville is received.

Dick Murray, manager-coach of the Red Sox last year, was appointed official Kelowna delegate to the league meeting. Others who agreed to make up the Kelowna representation were Bob Phinney, R. Kitch, Fred Kitch and Vic Franks.

Actually Franks' capacity in attending the league parley was in the role of vice-president, to which he was elected last year.

SECOND PERIOD — 2, Kimberley L. Sanderson (Holditch, Ridisky) 4:36. Penalties — Ridisky (2), Donald, Hryciuk, Campone.

THIRD PERIOD — 3, Kimberley L. Sanderson (Campone, Dalzell) 2:04; 4, Kimberley L. Sanderson (McLean) 11:16; 5, Vernon, Loudon (Neison) 17:17. Penalties: None.

FIRST PERIOD — 1, Vernon, Mel.

RUTLAND UPSETS K OF C MIDGETS; PLAYOFFS START

Mooted as the crucial game of the midget hockey league schedule, the Rutland-Knights of Columbus meeting fizzled on Thursday afternoon when the Kaycees were snowed under a 12-1 count.

Previously the two sextets were undefeated in the revised schedule leading to playoffs for the city and district consolation championship. With the one-sided score, Rutland clinched first place relegating Kaycees to the runner-up spot.

Final Standing

	P	W	L	T	Pts.
Rutland	3	0	0	3	6
Knights of Col.	3	2	1	12	18
Kel. R. Ath. Club	3	1	2	12	17
Air Cadets	3	0	3	5	29

On Monday, Kelowna Rural Athletic Club hung a 6-3 defeat on the Cadets for the club's first win. Cadets ended the schedule without a victory.

This afternoon, Rutland and KRC will meet in a sudden-death semi-final, while Kaycees and Cadets do the same on Thursday.

Winners will hook up in a two-game total-goal series for the title and the Capozzi Trophy on Monday and Thursday of next week, March 14 and 17.

Ball Club Sees Happy Days Ahead; Can Charge Entry to Sunday Games

post he was elected at last year's annual meeting, Terry Cox, Penticton, is the retiring president.

Pay Up or Stay Out

While nothing decisive came out about plans for fencing in the ball grounds at Recreation Park, several spokesmen hinted that the Kelowna Baseball Club is considering a plan to charge admission to Sunday games (exhibition grounds) were considering some action.

Perhaps the most welcome bit of information came from a civic official who said that since Recreation Park is leased to the Elks, it is considered private property, and those wishing to attend ball games without paying an admission fee could be kept out. This would apply to Sundays as well as any other days, he said.

This would entail a good fence and a sufficient number of officials at all games to enforce the "pay up or stay out" rule.

Previously baseball has been handicapped by lack of finances. Support on Sunday has been on a voluntary collection basis. Last year, collections averaged \$90 for the seven home games, a sum that would be doubled or trebled, spokesmen confidently predicted, if admission were charged.

Barely Kept Ahead

Treasurer George Menzies, in his financial report, showed the club had collected \$368.24 for the seven home league games. All told, the club had received \$1,954.10 gross, about \$2,400 less than the previous year, when several Negro teams appeared in exhibitions here.

Total disbursements amounted to \$1,908.96, leaving a bank balance at November 30 of \$45.14. Transportation and meals while on the road was the largest item of expense, coming to approximately \$720. Equipment was next at \$300.

During the year the club was able to keep out of the red by conducting a radio raffle, netting \$840, and by winning second prize of \$200 in the Kinsmen Dominion Day tournament.

MOVIE QUICKIES

"June Bride" is a real comedy hit.

Bette Davis laughs loud and long with Robert Montgomery in this new Warner Bros. film which plays Monday and Tuesday at the Empress Theatre. It's a new Bette, trim and stylish, you see in June Bride, and with Bob opposite her in one of his most charming roles, the result is a treat of exceptional proportions.

Bette plays a successful magazine editor, one who hires and fires with ease. Bob comes back into her

life after a European assignment, and is put on her staff. This creates a problem, as the two still go for each other in a way. When the staff moves into Crestville, Indiana to build up their special June feature, their affair takes on with added zest.

The film abounds with situations on the strictly humorous side. Bob has an apple-cider spree with Tom Tully which is a riot. Betty Lynn, as the youngest Brinker belle, vamps small-town fashion and gets her man. Barbara Bates, as the more beautiful Brinker, has a somewhat smaller part, but clicks. Mary Wickes' dry remarks add pepper, and Fay Bainter, in smart garb, gives additional interest to the proceedings.

"Oliver Twist" Movie Causes Riots in Berlin

Jewish demonstrators and Berlin police are shown in the wild melee that took place outside a movie theatre in the British sector of Berlin when the showing of the motion picture version of Dickens' "Oliver Twist" which, they charge, is anti-Semitic. First scheduled

showing of the movie was halted by a similar demonstration. During the rioting a British officer was beaten and several German policemen were injured. Demonstrators object to the portrayal of "Fagin" as a Jew who teaches young boys to steal.

KING'S SCOUT GIVES RESUME OF JAMBOREE

Tom Davis, of Vernon, Guest Speaker at Gyro Club Dinner Meeting

King's Scout Tom Davis, of Vernon, on Tuesday night told the Kelowna Gyro Club about his trip to the scout jamboree in Paris in 1947 and pointed out that the great need of the scout organization throughout the world was that of leaders.

The war, he said, had adversely affected the leadership problem and the movement, the only one of its kind in the world, was being handicapped in its work among the youth of the world by the lack of leaders.

He told the Gyros how he and other Canadian scouts had crossed on HMCS Warrior and had spent a period in Britain before attending the gathering of 40,000 scouts from 43 nations at Paris. The group's visit to Dieppe was one of the highlights of the trip.

Canadians, he said, were popular throughout Europe, as the Canadian servicemen had left behind them a good reputation.

King's Scout Davis has achieved the highest rank in scouting and holds just about all the merit badges the organization has.

His speech was amusing and informative, well put together and well delivered. Incidentally, on his European trip he represented the Okanagan, and the Kelowna City Council in 1947 donated a sum of money to help defray his expenses.

He is now assistant scoutmaster of one of the Vernon troops.

At the same meeting R. Seath, on behalf of the club, presented R. Stewart with his certificate of 25 years of service in the club. Two weeks ago the club celebrated its fifth anniversary in Kelowna and at that time all charter members still in the organization received these certificates. Mr. Stewart was not present on that occasion. The Gyro Club is the oldest service club in Kelowna.

OKANAGAN CENTRE — The Centre Badminton Club has participated in several matches with neighboring clubs lately. One night last week a team from East Kelowna visited the Centre. This was all men's affair and was won by the home team 10-6.

SCOUTS HOLD PARENTS NIGHT AT RUTLAND

RUTLAND — The 1st Rutland Troop of Boy Scouts held a "Parents' Night" at the Community Hall. The various patrols put on displays of their activities in their "patrol corners," and a first aid demonstration was given. Scoutmaster Gordon Manson thanked the parents and friends of the Boy Scouts that had come out to see the boys and the Scouts then served cocoa, cake and sandwiches to their guests.

The annual meeting of the group committee followed, and officers were elected as follows: chairman, James Clark, vice-chairman, Chas. Stuart, secretary-treasurer, Mrs. D. H. Campbell, committee: Mrs. Fitzpatrick, Mrs. F. Ostlund, Mrs. P. Bach, H. Shaw, E. Mugford (past president), Bert Chichester, Arthur Geen, Mrs. W. Stranaghan, Mrs. G. Mugford and H. W. Hobbs.

Mr. Mugford who has been chairman of the local Boy Scouts for almost 20 years, declined reelection. District Commissioner A. Gray spoke of the valuable assistance received by the Scouts from Mr. Mugford during his years of service, and a hearty vote of thanks was extended to the retiring chairman by the meeting. Mr. Chichester offered to show his movies at the Community Hall some time, in aid of the troop funds.

Miss Carol Gray was a visitor to Revelstoke where she was the guest at the home of Mr. and Mrs. Angus Greig.

There was a very well attended concert and dance in the Community Hall recently under the auspices of the Rutland Community Recreational Club. The program was varied and included many novel items. "Pi" Campbell acted as master of ceremonies, and a feature of the evening was the presentation of life saving crests to a number of local swimmers by Maj.-Gen. R. F. L. Keller, on behalf of the Red Cross.

The recipients who had qualified for the crests after a course of instruction at the local swimming pool last summer, were: seniors, Marion Mugford, Dorothy Mugford, Dorothy Carson, Tena Senger; intermediates, Frances Wostradowski, Rosie Ell, Albert Volk, Jimmy Stuart, Frank Brummet and Rene Russell.

The variety concert program was as follows: Canada, selected by Lehner's orchestra; duet, "Whispering Hope," Helen Heitzman and E. Teacock; skit, "Too Short on One End," by Jim Kitaura and Linda Davis; solo, "The Swallow," Bobby Hush; vocal solo, Joe Hush; comedy juggling, Tony Brummet and Bill Hush; pianoforte solo, Glenys Ellerget; trombone solo, Naea Terrell; skit, "The Swallow," Bill Hush; solo, Frank Lehner; piano duet, Mr. and Mrs. Cass Lehner Sr.; skit, "The Potters Prepare," by Shirley Bulick, Diane Constantini, Bud Williams, Mary Zwonarich, Leo Zwonarich, Bill Jurawich; highland fling, Phyllis MacDonnell; vocal solo, Helen Heitzman.

Jim Pantion, regional director for the P.C.R.C., spoke briefly, complimenting the club on its efforts. The final number was some enjoyable singing by the high school senior choir. Dancing followed, with the Lehner Orchestra supplying the music.

OK. CENTRE CHURCH PLAY BIG SUCCESS

Oyama Dramatic Club Presents Noel Coward's Play "Still Life"

OKANAGAN CENTRE—A large crowd enjoyed the entertainment at the community hall last Thursday which was sponsored by the Women's Association of St. Paul's United Church.

The drawing card was the Noel Coward play "Still Life," presented by the Oyama Dramatic Club under the direction of Mrs. G. A. Potchary.

The play, though short, is in five scenes, all taking place in a station refreshment room somewhere in England. The lapse of time of several months between scenes was indicated by the large daily calendar conspicuous on the wall and the change of the leading lady's costumes.

The staging was excellent, the actors letter-perfect, and the play moved along at a good pace but the audience lost much of it either through faulty acoustics of the hall or weak voices.

The cast included: Evelyn Young, as Laura Jesson; Vera Hromek, Myrtle Bagot; Doreen Potchary, Beryl Waters; Marjorie Aldred, Dolly Missler; Judith Myrtle, Mildred; E. Nydler, Stanley; Harry Aldred, Albert Godby; Albert Myers, Alec Harvey; Glenn Thomson, a Young Man; Keith Nordin, Bill; John O'Rourke, Johnnie.

Preceding the play was a much appreciated program of six musical numbers opened after the singing of O Canada with a violin solo, the Mozart Minuetto, by Mrs. S. Jones, accompanied by Mrs. Snowdon.

Mrs. Stewart Crysdale charmed the audience with a double number "Morning" and "Smilin' Through" and later sang "The Little Old Garden" and "Kentucky Babe," all accompanied by Mrs. Pettipiece.

Mrs. Snowdon received warm applause for her piano solo, Smith's "Maypole Dance" and then accompanied Mrs. J. Seaton who rendered "Sunrise and You" and "The Second Minuet" in her usual pleasing manner.

Lastly, Bert Ramsay won encores with his songs to guitar accompaniment to which he responded generously. Mr. Ramsay kindly gave several more numbers during the wait preceding the play. Mr. Stewart Crysdale served as chairman.

The women of the association had arranged several tables filled with

RUTLAND CAGERS WIN NORTHERN INTERIOR TITLE

Meet Kelowna Dynamos in Next Step Towards IBA Championship

Rutland's intermediate B cagers dropped a 30-28 decision during the semi-windup of Wednesday night's triple hoop bill at the Scout Hall, but their previous seven-point lead was good enough to give them the two-game total-point round against Kamloops by a score of 65-60.

The northern interior champs now will clash in a similar series with the central interior winners, Kelowna Dynamos, starting some time this week, when the Senior Bears play a home game.

Winners of the series will hook up with either Penticton or Oliver for the Interior Basketball Association championship.

"Up in Air" It has been learned that at a recent meeting of the Vernon Liberal Association there was a nearly unanimous decision to proceed with the nomination, and delegates chosen at that gathering were selected with this in view.

Dugald McPherson, vice-president of the Penticton Liberal Association said "We did not ask to have the convention cancelled, but only to leave the date open. We shall however, be prepared to press our views at the convention when it is held, and endeavor to carry out the terms of the resolution, as we have been instructed by the Penticton association."

Mr. McPherson said the whole issue is "up in the air" as far as he can see at the present time.
